

RESEARCH SEMINARS AND CONFERENCES
AREA OF THERAPEUTIC NANOSYSTEMS

Dr. Emilio Gonzalez-Gonzalez
Department of Pediatrics and
Molecular Imaging Program
Stanford University

***“Advances in RNAi therapeutics and
diagnostic of the rare epithelial disorder
pachyonychia congenita and skin cancer:
potential opportunities for
nanotechnology”***

April 26, 12.00-13.00
Richard Feynman Conference Hall
BIONAND
